Star

nley,

journey
beyond
the
stars.

design Dodo Arslan

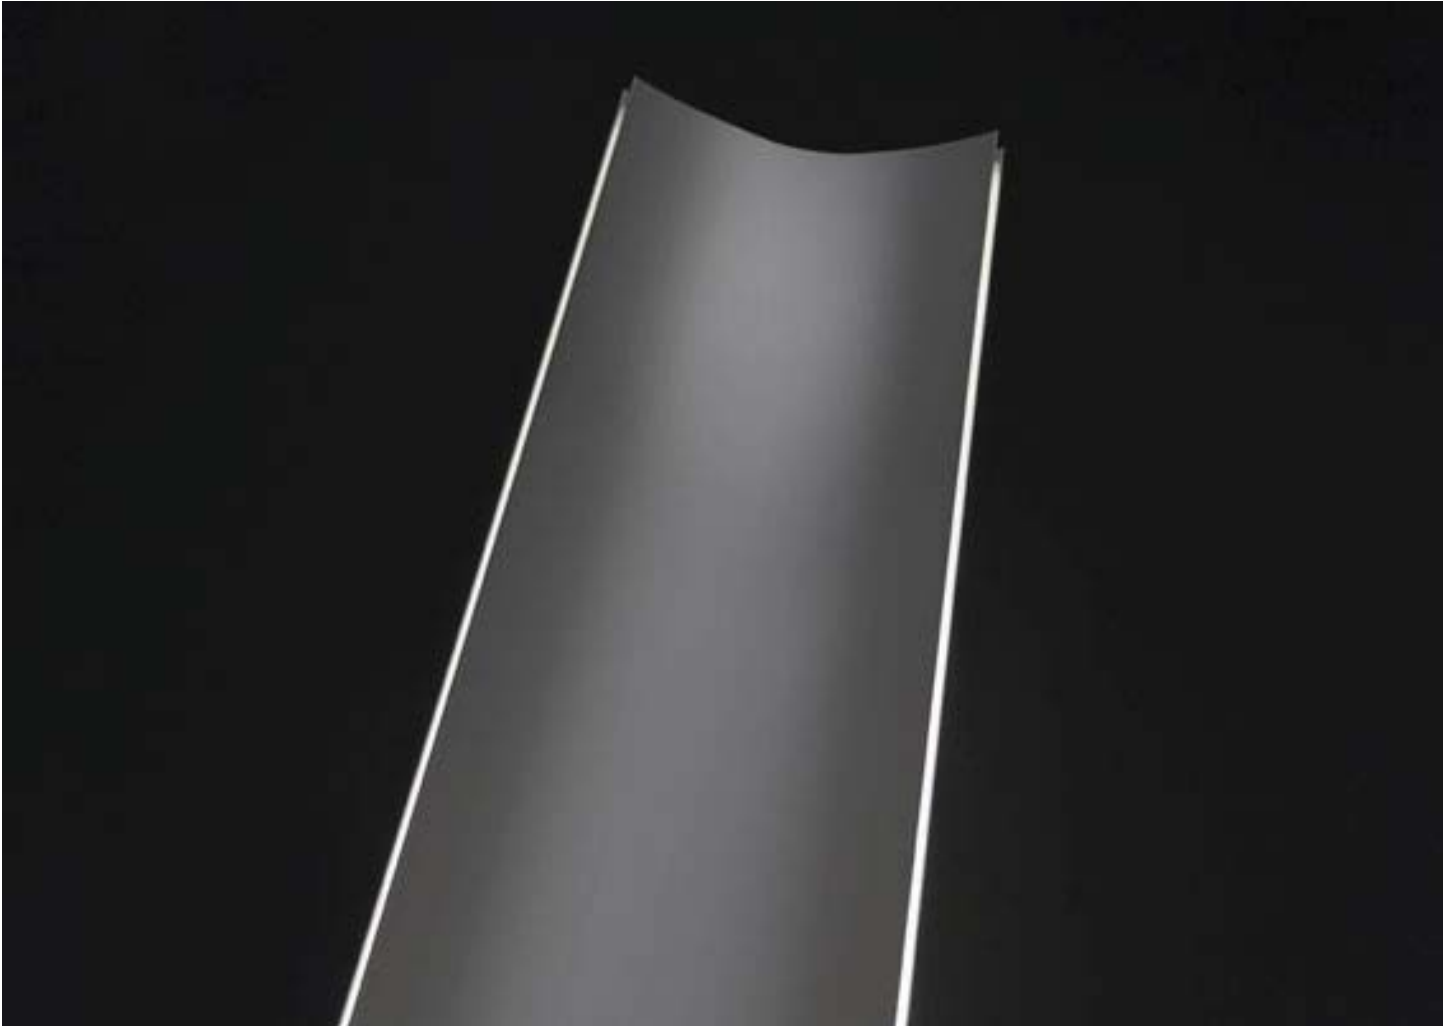

Capturing the mystery, power, new floor lamp from Dodo Arslan of space and mankind's fascination of crystalline light travel through deep, rich, and nuanced viewing perspectives create a cosmic homage to the genius of Stanley Kubrick's 1968 film *2001: A Space Odyssey*, Arslan creates new galaxies. Through recreating the film's iconic scenes, Stanley captures the sense of wonder, awe, and inspiration of the film, and the artists, scientists, and dreamers who inspired it. Staying in accordance with the film's spirit, Stanley offers a series of lighting options that can be customized creating a

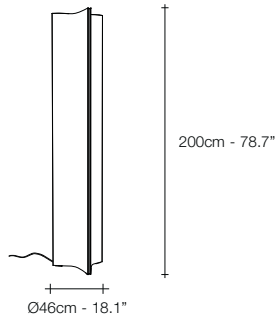

and wonder of the stars, this
plan conjures the natural beauty
ation with the heavens. Blades
ugh a field of stars, creating a
g experience. Stanley's multiple
vision with infinite depth. An
ey Kubrick and his masterpiece,
's design aims to open doors to
ng the mysteries of our universe,
awe that continues to compel
s to look to the sky for answers
cordance with the vibrancy of
of chromatic variations which
unique, tonal experience.

All products in the Terzani collections are inspired by a return to noble artisan traditions. Every object is carefully created using craft techniques and for this reason certain details may vary from product to product. These variations are not imperfections but characteristic peculiarities of the production process. Terzani reserves the right to modify its products in order to improve its features.
